PUCKETT'S DISHES UP ITS AWARD WINNING FARE AT THIS YEAR'S TASTE OF MUSIC CITY FESTIVAL

NASHVILLE, TN (May 31, 2011) – One of the area's most popular restaurants is making its debut at this year's Nissan Taste of Music City Festival. Puckett's will join approximately 50 other Nashville area restaurants at the annual event taking place June 3rd through the 5th in downtown Nashville.

The restaurant, which opened its first Nashville location in November, will be serving BBQ sliders, rib singles, and peach cobbler samples at the festival. Claire Marshall Crowell, manager of Puckett's Nashville, says they are looking forward to experiencing Taste of Music City for the first time.

"Puckett's is really excited to be a part of this great community event for the first time now that we have a location in Downtown Nashville," she said. "I think it's an excellent way for locals and tourists alike to get a taste of the great food and Southern hospitality that Nashville restaurants are all about, and to try some local eateries that they may not have had a chance to visit yet or even known about."

Famous for their fresh take on classic southern recipes, Puckett's boasts a delectable menu ripe with variety. Some of their delicious selections include mouthwatering entrees like country-fried steak and cherry wood smoked ribs and barbeque. Appetizers like fried green beans and homemade sweet potato fries are noteworthy starters and desserts such as blackberry cobbler finish off the culinary experience just right.

ABOUT PUCKETT'S GROCERY & RESTAURANT

Founded by the Puckett family in the 1950s, Puckett's has served as a country store to several communities in Williamson County. Andy Marshall bought the Leiper's Fork Puckett's Grocery in 1998. In 2002, Puckett's branched out to start a formal dinner and music program. With all of the talented writers in and around town, the Friday night writers' show grew fast with people coming from all over to hear some of the finest the industry had to offer. Shortly after, the Marshall's expanded to Historic Downtown Franklin. Rob Robinson and his family now own the Leiper's Fork location, while the Marshall family opened the first downtown Nashville location in November 2010.
